(Title III case numbers are listed as Bankruptcy Case numbers due to software limitations).

This is the first Interim Application of The Brattle Group, Inc. (“Brattle”) in Adv. Proc. No. 17-BK-04780 (“PREPA Case”)⁵ covering the period from September 1, 2020, through January 31, 2021 (“Compensation Period”), seeking allowance of compensation for expenses and professional services rendered as economic consultant to Proskauer Rose LLP (“Proskauer”) to facilitate the effective representation by Proskauer as legal counsel to The Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”) as representative of the Commonwealth of Puerto Rico and the Puerto Rico Electric Power Authority (“PREPA”) (collectively, the “Debtors”) pursuant to the *Puerto Rico Oversight, Management, and Economic Stability Act*, codified in 48 U.S.C. §§ 2101-2241 (“PROMESA”), in the amount of \$992,361.00.

Brattle’s application is submitted pursuant to PROMESA sections 316 and 317, Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) applicable pursuant to PROMESA section 310, and Rule 2016-1 of the Local Bankruptcy Rules for the United States Bankruptcy Court for the District of Puerto Rico (the “Local Rules”), and in accordance with this Court’s and the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases issued by the Executive Office for the United States Trustee, 28 CFR Part 58, Appendix A (the “Guidelines”), and in accordance with this Court’s Second Amended Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals [Case No. 17 BK 3283-LTS, Dkt. No. 3269] (the “Interim Compensation Order”).

In support of the Application, Brattle respectfully states:

Jurisdiction

1. The United States District Court for the District of Puerto Rico (the “Court”) has subject matter jurisdiction over this Application pursuant to PROMESA section 306(a).
2. Venue is proper in this district pursuant to PROMESA section 307(a).

⁵ This Interim Fee Application solely pertains to fees and expenses incurred with respect to the PREPA Case and does not address fees or expenses incurred with respect to any other services performed for Proskauer.

3. The statutory bases for the relief requested herein are PROMESA sections 316 and 317.

General Background

4. On June 30, 2016, the Oversight Board was established under PROMESA section 101(b). On August 31, 2016, President Obama appointed the Oversight Board's seven voting members.

5. Pursuant to PROMESA section 315, "[t]he Oversight Board in a case under this subchapter is the representative of the debtor" and "may take any action necessary on behalf of the debtor to prosecute the case of the debtor, including filing a petition under § [304] of [PROMESA] . . . or otherwise generally submitting filings in relation to the case with the court." PROMESA § 315(a), (b).

6. On September 30, 2016, the Oversight Board designated the Debtor as a "covered entity" under PROMESA section 101(d).

7. On November 25, 2016, the Oversight Board retained Proskauer as legal counsel in connection with matters relating to and arising out of implementation of the provisions of PROMESA. Those matters include advising and representing the Oversight Board concerning the performance of its duties and activities pursuant to PROMESA, the restructuring or adjustment of the obligations of the Debtors, and litigation arising out of any of those matters (collectively, the "Relevant Matters").

8. On May 3, 2017, the Oversight Board filed a voluntary petition for relief for the Commonwealth pursuant to section 304(a) of PROMESA, commencing a case under title III thereof (the "Commonwealth's Title III Case").

9. On July 2, 2017, the Oversight Board filed a voluntary petition for relief for PREPA pursuant to section 304(a) of PROMESA, commencing a case under title III thereof ("PREPA's Title III Case," and collectively with the Commonwealth's Title III Case, and other title III cases commences pursuant to PROMESA section 304(a), the "Debtors' Title III Cases"). Pursuant to PROMESA section 315(b), the Oversight Board is the representative of each of the Debtors in each of their respective Title III cases.

10. Further background information regarding the Debtors and the commencement of the Debtors' Title III Cases is contained in the *Notice of Filing of Statement of Oversight Board in Connection with PROMESA Title III Petition* [Case No. 17 BK 3283-LTS, Dkt. No. 1], attached to the Commonwealth of Puerto Rico's Title III petition.

**Brattle's Retention
and Fee Statements During the Compensation Period**

11. Proskauer originally retained Brattle, an international economic consulting firm, pursuant to an Independent Contractor Services Agreement effective March 25, 2019 (the "Agreement"), in support of its litigation preparation on the Relevant Matters for the Oversight Board. Proskauer specifically retained Brattle to facilitate the effective representation by Proskauer of the Debtors in the PREPA Case on September 21, 2020 under project Assignment #4 of the Agreement.

12. The Agreement provides that:

- a. Proskauer's client, the Oversight Board, is solely responsible for Brattle's fees and expenses, and will compensate Brattle in accordance with the terms of the Agreement; and
- b. Brattle will charge on a time and materials basis, based on the hourly billing rates in effect at the time services are performed, with all fees and expenses payable under the Agreement to be paid through this PROMESA Title III proceeding.

13. During the Compensation Period, Brattle caused its first through fifth monthly fee statements ("Monthly Fee Statements") to be served on the notice parties. Copies of Brattle's Monthly Fee Statements are attached hereto as Exhibit B. In accordance with the Interim Compensation Order, Brattle requested an aggregate payment of \$893,693.65 (representing payment of ninety percent (90%) of the compensation sought for professional fees and 100% of

the expenses incurred), and as of the date of this Application \$136,010.15 has been paid to Brattle for services rendered during the Compensation Period.⁶

14. Prior to the submission of this Application, Brattle had made no previous requests for the allowance of interim compensation for professional services rendered and reimbursement of expenses incurred in the PREPA Case.

**Summary of Professional Services Rendered
By Brattle during the Compensation Period**

15. Brattle's services to Proskauer, as legal counsel to the Oversight Board as representative of the Debtors in the PREPA Case, were reasonable, necessary, appropriate, and beneficial when rendered, facilitated the effective representation by Proskauer of its obligations as legal counsel to the Oversight Board as representative of the Debtors in the Title III Cases, and were in the best interests of the Oversight Board and the Debtors' creditors, the Commonwealth's residents, and other stakeholders. Brattle performed its professional services in an expedient and efficient manner. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and time-sensitive nature of the issues and tasks involved.

16. To provide an orderly and meaningful summary of the services rendered by Brattle, Brattle established, in accordance with the Guidelines, a separate task code for the services. During the Compensation Period, Brattle expended 2,150.90 hours assisting Proskauer, in its capacity as legal counsel to the Oversight Board, in matters relating to the PREPA Case generally. Details of Brattle's work during this Compensation Period in furtherance of these tasks for Proskauer are included in the Monthly Fee Statements, and summarized as follows:

- C1- PREPA Rates and Renewables Study.
- (Fees: \$986,673.50; Hours: 2,150.90)
 - At the direction of Proskauer, as legal counsel to the Oversight Board, in contemplation of potential litigation, Brattle conducted an independent economic analysis regarding compliance with plan confirmation requirements.

⁶ Compensation paid includes applicable 29% income tax withholding and 1.5% government contribution.

Actual and Necessary Expenses of Brattle

17. During the eleventh interim fee period, Brattle incurred an actual expense of \$5,687.50 to license data and other materials that were reasonable and necessary for the services provided in the PREPA Case.

Compensation Paid and its Source

18. All services for which Brattle seeks compensation were performed on behalf of and at the direction of Proskauer, as legal counsel to the Oversight Board, representative of the Debtors in their Title III Cases, to facilitate Proskauer's effective representation of the Debtors. In connection with the request covered by this Application, Brattle has received no payment and has received no promises of payment for services rendered, or to be rendered, from any source other than the Debtors. There is no agreement or understanding between Brattle and any other person for the sharing of compensation received for services rendered to Proskauer in the Debtors' Title III cases.

19. PROMESA sections 316 and 317 provide for interim compensation of professionals and govern this Court's award of such compensation. PROMESA section 316 provides that a court may award a professional employed for the benefit of the Debtor or the Oversight Board under PROMESA "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." PROMESA § 316(a). PROMESA section 316 also sets forth the criteria for awarding compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (1) the time spent on such services;

- (2) the rates charged for such services;
- (3) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this chapter;
- (4) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (5) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field;

and

- (6) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this subchapter or title 11.

PROMESA § 316(c).

20. Brattle respectfully submits that the professional services rendered during the Compensation Period were necessary for and beneficial to Proskauer's effective representation of the Oversight Board on behalf of the Debtors and therefore were necessary for and beneficial to the maximization of value for all stakeholders and ultimately to the orderly administration of the Debtors' Title III Cases. The services required experienced professionals with specialized expertise to timely and thoroughly respond to Proskauer's requests. During the Compensation Period, Brattle worked efficiently, under time constraints, to respond to Proskauer's needs.

21. The rates of the Brattle personnel performing the services are the rates Brattle charges for professional services rendered in comparable bankruptcy and non-bankruptcy matters (and for consultants who worked on this project assignment starting in 2019, the rates Brattle charged for such professional services in 2019), and are reasonable given the customary rates charged by comparably skilled practitioners in comparable bankruptcy and non-bankruptcy cases in a competitive national market.

22. Brattle submits that allowance of the fees and expenses requested herein is reasonable and warranted in light of the nature, extent and value of Brattle's services to the

Proskauer, as legal counsel to the Oversight Board, as representative of the Debtors in the PREPA Case. Proskauer has reviewed and approved this Application.

No Previous Request

23. No previous request for the relief sought herein has been made by Brattle to this or any other court.

Reservations

24. To the extent time or disbursement charges for services rendered or expenses incurred relate to the Compensation Period but were not processed prior to the preparation of this Application, or Brattle has for any other reason not yet sought compensation or reimbursement of expenses herein with respect to any services rendered or expenses incurred during the Compensation Period, Brattle reserves the right to request compensation for such services and reimbursement of such expenses in a future application.
